12/24/94

Dear Mr + Mrs. Weisberg:

Trust this card finds you both well and enjoying the holiday season. I've heard that you have written a new book, "Case Open". Can you let me know how much it is? I'm in no rush since I'm recovering from major surgery and have had to put my book on hold until the new year. Hope to hear from you then.

Warm wishes for your happiness
at Christmas and through the
coming year
All the best for 1995!
Sincerely, Bev Huston
